

NATIONAL POLICING INSTITUTE

Pursuing Excellence Through Science and Innovation

CALL FOR RESEARCH PARTNER: PROFESSIONALISM

Leverages artificial-intelligence analysis of BWC audio to track professionalism and evaluates a restorative-break intervention to reduce stress-related performance dips.

Research Objectives

- Deploy AI evaluation of officer professionalism
- Implement structured restorative-break protocol every 4 hours
- Assess changes in professionalism over the course of a shift

Partner Requirements

- Agency-wide BWC program with professionalism evaluations
- Adjust schedules to accommodate break protocol
- Provide administrative data
- Identify a wellness champion to coordinate implementation

Partner Benefits

- Access to cutting-edge AI analytics on officer-citizen interactions
- Actionable wellness recommendations
- Contribution to national evidence base on AI and professionalism

Project Timeline

- Anticipated Start Date: 11/25/2025
